

Acba digital Registration Guide

Registration with ID card/ Passport of RA / PSN

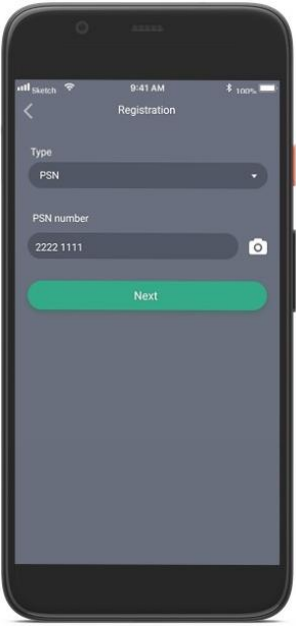

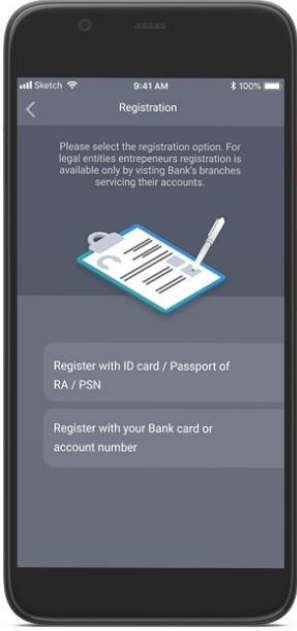

1

After downloading the application, you need to click the "Register" button

2

From the opened window select "Registration with ID card/ Passport of RA / PSN"

In the third step, select the type of document that the registration will go through, enter the data and agree to the conditions.

3

The system will display an incomplete search result. You need to make sure the data is * up-to-date and click "Next"

4

* If there is no registered phone number or e-mail address in the bank, the system refuses registration

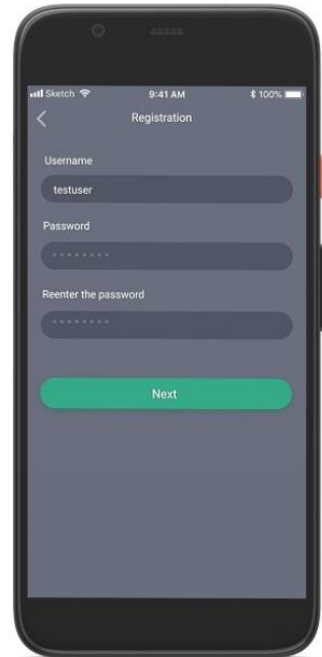

The Bank will send a code to the mentioned phone number, which must be entered in the window that opens

5

After verifying the code, the system will suggest you to enter a username * and password that is convenient for you

6

To complete the registration, you need to enter the registration code sent to your e-mail.

7

After the successful registration, a PIN code will be sent to your phone number.

8

!!!

The application for users will be with limited access: the system will automatically open an account with limited access with which you can: make utility payments, budget payments up to 400,000 AMD and order a card
